Subject: *Can Drive* at 1333 Main St.

Importance: High

Good morning 1333 Main St. Tenants! As we embark upon the holiday season, it's a time of thanks and also giving back to the community. We at 1333 Main St. are hosting a Can Drive to help support the Palmetto Place Emergency Children's Center, a **local** organization that is dedicated to caring for and helping kids who come from very tough and difficult family situations. We are joining together and asking everyone to donate any and all aluminum drinking/soda cans to this great cause. We have placed a box in our lobby downstairs to collect cans during the holidays, 100% of donated can proceeds go to the shelter!

We thank everyone for their help and support and wish everyone a wonderful Holiday Season! Please pass this onward to your staff and personnel.

And Stay Tuned for more information to follow regarding our Annual 1333 Main St. Christmas Breakfast on December 14th!!!

One Can Hope

Can Drive!

Please donate your aluminum cans to help support the Palmetto Place Emergency Children's Shelter.

All Aluminum Cans Welcome!

Thank you for your support!!!

The graphic features a blue rectangular box at the top with the text "One Can Hope" in white. Below it is a yellow oval containing the text "Can Drive!". To the right of the oval is a dashed line that leads to a yellow downward-pointing triangle. Below the triangle are four aluminum cans: a green one, a red one with "COLA" written on it, a brown one, and a crushed one. To the left of the cans is a dashed line that leads to a green downward-pointing triangle. Below the green triangle is the logo for Palmetto Place Children's Emergency Shelter, which consists of a green palm tree and the text "PALMETTO PLACE Children's Emergency Shelter". Below the logo is the text "Please donate your aluminum cans to help support the Palmetto Place Emergency Children's Shelter." in blue. Below this text is the text "All Aluminum Cans Welcome!" in blue. At the bottom of the graphic is the text "Thank you for your support!!!" in blue.
