

## 2012 Multi-Agency Harvest Hope Food Drive

Please be reminded that we are in the middle of the 2012 Multi-Agency Harvest Hope Food Drive. The Food Drive is a collaborative effort between State agencies and the SC Society of Certified Public Managers and runs from August 1 – August 14, 2012. **Even though the Food Drive concludes on Tuesday, we will leave the collection bin in the break room through the end of next week to give everyone that would like to participate the opportunity to donate.** There are three ways you can contribute: donate money directly, shop on Harvest Hope's Virtual Food Drive, or bring desired items to our collection site in the break room.

Please refer to the attached [flyer](#) for details on donating directly through the website at [www.harvesthope.org](http://www.harvesthope.org) and for information on participating in the virtual food drive. Donations can also be made by dropping of items in the collection bin in the break room or by making cash donations. For every \$1 donated, \$0.98 of that dollar goes directly to feeding hungry families.

If you have any questions or need additional information, please feel free to contact me.
