

Cyber Security Awareness Training Program – 3rd Course Offering

Please be advised that the third security awareness training course offering – **Passwords and Secure Internet Behavior** - is now available to all staff. This course discusses the importance of password security and additional important practices that should be followed to maintain security on the Internet.

Please follow the instructions below to begin the Passwords and Secure Internet Behavior course.

1. Visit the training website at <https://sc.thesacschools.com/>
2. Click on the “Log In” tab located at the far right side of the page
3. Enter your username and password
4. Scroll down to “Available Courses” and select the “Passwords and Secure Internet Behavior” course link
5. Click “Enter” to launch course
6. Sit back and enjoy the training
7. Take the quiz at the end of the course
8. Click “Finish”
9. Scroll to the top of the page and click “Exit Activity”
10. Select the “Certificate” link to print your certificate

Should you experience any technical issues in accessing the course, please contact wccit@wcc.sc.gov

Thank you for your participation and commitment to helping raise cyber security awareness in the state of South Carolina.

Sincerely,

Betsy Hartman
