

# State Agencies Don't Play Hunger Games in SC

## Fund/Food Drive August 12-23, 2013

Drive sponsored by

OF CERTIFIED PUBLIC MANAGERS

and the compassionate employees of participating state agencies.

In August, we know that another 65,000 families or more will count on us to provide food for their tables before school begins. In addition to families and children, Harvest Hope is also a lifeline to seniors struggling to provide for themselves on fixed incomes, and we have already helped more than 5,700 seniors in June and July. Harvest Hope dedicates 98¢ out of every dollar donated to our mission of providing hunger relief, and for just \$1 Harvest Hope can provide 5 meals for struggling families, children and seniors.
