### **SC Workers' Compensation Commission's Website Gets New Look!**

Welcome to the South Carolina Workers' Compensations' website! The website has a new look and offers useful information related to claims, coverage, insurance, medical matters, and judicial issues. Our goal is to provide the public with useful information regarding workers' compensation in South Carolina.

The SC Workers' Compensation Commission's forms are now set up as PDF fill-in-the-blank forms. You can tab through the fields, type in your answers, and print. Fillable PDF forms provide you the ability to print forms with data entered by the user, save the form electronically with data embedded, and modify the data after saving the form. Forms will be calculated (where applicable), or they can be printed out and completed manually.

If you experience problems with printing the pdf forms, you may need to download a newer version of the Adobe Reader. You may download the Reader for free at [www.adobe.com](http://www.adobe.com).
