### MEMORANDUM

June 17, 2013

To: Gary Cannon  
Executive Director

From: Virginia Crocker  
Judicial Director

RE: MONTHLY REPORT

The Judicial Department continues to work to perfect the mediation process. The establishment of the mediation email at [www.mediation@wcc.sc.gov](mailto:www.mediation@wcc.sc.gov) facilitates the department's communication with the Parties in the scheduling of mediation. The IT Department has been very helpful in assisting the department with the development of electronic service of explanatory emails to the Parties regarding required information. The email address also allows the department to communicate in a confidential manner with regard to the status of the scheduled mediations and the regulatory requirements of the process. We have been very pleased with the response and the ability to electronically follow the process.

Round twelve of Exide mediations was held here in Columbia last month and resulted in the settlement of all twenty eight (28) cases scheduled. This process is working very efficiently and we continue to resolve the vast majority of cases before us in each session. Approximately three hundred and sixty-nine (369) cases remain and our next scheduled mediation will be in August.

Scheduling orders have been requested for the Celanese cases and the Westinghouse/International Paper cases continue in mediation. There have also been filing in the Exide cases for plants in Greer and those mediations should begin shortly.

Planning has begun with regard to our statewide mediation seminars to be scheduled in September.

### MEMO

TO: Gary Cannon  
FROM: Chuck Hamden, SCVRD Counselor  
DATE: May 31, 2013  
RE: SCVRD/WCC Referrals

As the SCVRD counselor assigned to the Workers Compensation Commission, I held office hours at WCC for four (4) days in the month of May 2013.

During the May office hours, SCVRD has continued to review the Workman's Compensation Commission files for Richland and Lexington counties for 2011. With the continued implementation of the WCC Query program, sixteen (16) referral letters have been sent in May out to potential clients.

As of May 31st, 2013, we had the following contacts regarding potential WCC referrals:

- For the month of May 2013, two (2) claimants have called for more information and referrals were made to the following agencies:
  - Two referrals were made to the Richland County SCVRD office
- One WCC claimant had received referral letter and called SCVRD; she is not interested in services at this time
- Two letters was returned with no forwarding address.

Records for review from 2011 for Richland and Lexington counties have been completed. Records for these counties for claimants from 2012 have been requested.

The SCVRD-WWC Referral portal user manual has been issued and review has begun. Test Portal is expected to be ready in June 2013 for testing and final review. Anticipated date, per discussions with Betsy Hartman, WCC IT Director, for the Portal to begin being used is July 2013. SCVRD will begin development of Training manual for use by SCVRD personnel.

**SUBJ: Sealed Records**

On occasion circumstances may require the Commissioner to Order all or part of the case file sealed from review. Chairman Beck brought to our attention that the Commission does not have a standard process for sealing records in cases when necessary. Therefore he tasked staff with developing a process for the Commissioner to Order case records sealed when they deem necessary.

The circumstances in cases requiring records to be sealed will vary from case to case. We have developed a Model Order for you to use and adapt to the circumstances surrounding the need to order the record sealed.

Attached is a Model Order for the Commission's approval.

**SC Workers' Compensation Commission  
Model Order  
Sealing of Records**

**IT IS THEREFORE ORDERED**, pursuant to the request of [name of requestor], that [Description of records to be sealed, or "the record of this claim in its entirety"] be SEALED and not made available to the public or any other party not satisfying the Commission of their interest in such records and of the right to inspect them. These records are Ordered to be sealed in order to protect [statement of need for records to be sealed].

**IT IS FURTHERMORE ORDERED** that the Commission's Information Technology Staff is to identify all copies of the records subject to this Order in the possession of the Commission and destroy all physical copies. The Commission's Information Technology Staff is furthermore ORDERED to store an electronic copy of an image of the sealed records as a file on the Commission's electronic document repository and encrypt or otherwise protect it in such a manner that the contents of the file are only accessible to the Commission's Information Technology staff. Staff must then identify all other locations where copies of the records are stored electronically on the Commission's database and permanently delete such copies.

**IT IS FURTHERMORE ORDERED** that any party requesting access to the sealed records must petition the Commission and satisfy the Commission of his or her interest in such records and the right to inspect them, and the Director of Information Technology shall provide a copy of the sealed records to the petitioner only upon an Order of the Commission.

**IT IS FURTHERMORE ORDERED** that the Director of Information Technology shall provide a copy of the sealed records when so Ordered by a court of competent jurisdiction.

**AND IT IS SO ORDERED!**

**TO: Commissioners**

**FROM: Gary Cannon**

**DATE: June 12, 2013**

**SUBJ: Interim Director of the Claims Division**

Greg Line has announced his retirement as Director of the Claims Division. The effective date is June 30, 2013.

Pursuant to Section §42-3-90 of the state code, I am required to recommend, with the concurrence of the chairman, an individual to fill the position. It is my recommendation that we not fill the position on a permanent basis for 3 to 6 months. This will allow us to evaluate the business processes and procedures in the division and implement changes using Information Technology processes and procedures. Also, this will allow the development of job qualifications and requirements in line with the new business processes and procedures to recruit a new director.

In the interim I recommend the Commission name Grant Duffield the Interim Director of the Claims Division. Grant will continue to serve in his permanent position as Director of the Insurance and Medical Services Division while taking on the additional responsibilities for the next few months. Grant has proven experience as a change agent as evidenced by the success in the Insurance and Medical Services Division. I am confident that Grant has the knowledge, skills and abilities to serve in this interim capacity while continuing to serve in his permanent position as Director of Insurance and Medical Services.

**Action Requested:** The Commission appoint Grant Duffield as Interim Director of the Claims Division until such time we complete the recruitment process and recommend a permanent appointment in the position.
