Workers' Compensation Commission

ADVISORY

March 17, 2026

2026 Medical Services Provider Manual Amendments

At the Business Meeting on March 16, 2025, the SC Workers' Compensation Commission approved changes to the Medical Services Provider Manual (MSPM) for 2026.

The codes in the fee schedule were made current by including codes established for 2026 and policy language was updated as recommended. There was no change to either the MSPM maximum allowable payment (\$52.00) or the anesthesia allowable payment (\$32.85).

No cap was placed on independent medical evaluation (IME) fees. The Commission approved the establishment of an ad hoc advisory committee to study whether independent medical evaluation (IME) fees should be capped.

The changes approved will be effective April 1, 2026, and are attached to this advisory. To purchase a copy of the 2026 MSPM go to the following link on the Commission's website.
