Workers' Compensation Commission

ADVISORY NOTICE

December 1, 2025

Upcoming Renovations at the Columbia Office

The South Carolina Workers' Compensation Commission will begin renovations to the reception area of our Columbia office starting the month of December 2025. This construction work is part of our ongoing efforts to enhance the facility and improve the overall experience for all visitors.

While renovations are underway, the Commissioners will make every effort to schedule hearings at times when construction activity should not impede access to the hearing rooms. However, visitors should be vigilant. Construction workers may be in or near the common areas. There may be dust, noise, or other minor disruptions while work is being completed. Access routes within the reception area may be temporarily adjusted.

If any party requires specific accommodations during this period, such as accessibility adjustments or assistance with navigating the building. Please contact the Commission in advance so we can ensure your needs are met.

We appreciate your patience and cooperation as we work to improve our space for the benefit of all who use it.

Please direct all comments and questions to:
