SUBJECT: Monthly Human Resources Report for December 2020 Business Meeting

This report summarizes the activities of Human Resources during the period of November 1, 2020 through November 30, 2020.

In November the Commission had 51 full time employees. We have 1 part-time employee. And, we have 1 legal intern and 1 legal extern.

- New Hires: One
- Separations or Retirements: None
- FMLA Leaves: Three

My primary focus in November was to document the SCWCC COVID-19 Play Book, draft several emails and create related forms for use during COVID-19. This was done in conjunction with the Legal Department and Executives. At this point, the documents have not been released for communication.

Another large portion of my time was spent on preparing for my time out for my medical leave which started November 18, 2020 and is expected to last until December 20, 2020. I went through all my work and prioritized what needed to be completed prior to my leaving and what was secondary and did not need any attention at this time. A good deal of time was spent on documenting all the functions of the HR Department and I provided a spreadsheet to management to show what, when, who was needed to complete any outstanding items during my time away. This included an extensive contact list.

As normal, November is a bit of a slow month for the reoccurring activities as a result of three days off for holidays and for those employees using their annual leave. We sent 11 "All Agency" emails during the month. In SCEIS, I had 8 SCEIS transactions. I responded to benefit questions and made changes. Payroll and time reports were run as scheduled. We processed only 3 travel reports in the month of November.

I have researched two benefit issues and I am in the processes of having them corrected. I have begun to research a retirement issue involving a long-term employee who is not showing up in the PEBA retirement records. This research will extend into December.

We had one additional employee go on FMLA this month bringing our total on leave to three, I prepared the paperwork for us to process in SCEIS.

We had 1 building issue. Parking management changed this month and we are continuing to work with them to fix our outstanding invoice issue. We had three access issues, one for a current employee and two new employee set ups.

Since March 23rd, I have been reporting to the State HR department data regarding who was working onsite, telecommuting, and taking leave. This is done daily.

We continued to obtain and maintain the necessary PPE to safely work onsite. We provided information on what we have ordered since July 1, 2020 to management for statewide reimbursement.

I continued to track employees work activities from home. Once a week, I receive lists of the daily activities of those working from home. I take that data, summarize daily activities into a weekly summary by employee and add it to a spreadsheet for management's review.

I met with management several times on staffing issues. In November we had a Program Coordinator II (Director of Coverage and Compliance) position approved by Executive approval and we recruited for that position. We posted and had 10 applicants with only 1 meeting the minimum qualifications. That individual is a current employee, Breanne Jolly. She was interviewed, offered and accepted the promotion to the position. She began her new role on December 2, 2020. The applicants who applied through NEOGov were notified that they did not get the position as they did not meet the minimum job qualifications. The position has been closed on the system.

Subject:	IT Department November 2020 Full Commission Report

This report summarizes the activities and accomplishments of departmental projects and initiatives for the IT department during November 2020.

I. Systems Operations, Maintenance and Support

EDI

We are continuing to convert all EDI trading partner accounts to a new server with enhanced security. The team worked with multiple EDI Trading Partners identify specific reasons for data rejections on Claims and POC submissions. We continue our participation in IAIABC conference calls for: Jurisdictions Only meetings, EDI Claims Committee and the XML Taskforces.

Progress

Duane continue to refine the invoice entry correction process and he made some additional enhancements to the Appeal Notice program. Liz and Duane imported new data from the DEW quarterly employer wage report and generated X-files for the Compliance department. Sandee worked with DEW to re-establish more consistent and automated reporting processes.

Systems Support

Jason continue to support staff with hardware/software needs and building efficiencies in our work from home processes. He also completed several additional required account management changes related to the agency's new hires and staff changes.

The DUO multifactor authentication implementation for our agency began in November with the onboarding of all IT staff for testing and evaluation prior to the full agency rollout. The enrollment and enforcement will continue for the next several weeks.

Reporting

Kim completed the COVID report as part of our monthly reporting schedule. Liz made some enhancements to the Claims report developed for outstanding carrier fines. Additionally, we generated several Open Claims reports and Outstanding Carrier Fines for external stakeholders and provided Compliance reports for internal staff.

<u>Hardware</u>

Jason is building an integrated plan for replacing agency-issued cell phones, ipads and laptops. Our 3-year laptop refresh lifecycle is overdue and as a result of our increased reliance on mobile devices with our remote work, we have consumed all spare and back-up devices. The IT team will begin executing this plan as soon as possible to mitigate our risk of having no spare devices.

II. Projects, Enhancements and Development

Legacy Modernization

We continue our working engagement with Microsoft as part of the gap analysis of our KERMIT project. Microsoft expects it will take several more weeks to complete their Gap Analysis.

III. Upcoming Technology Changes

Security

The DUO authentication for email access will be enforced starting on January 5, 2021.

IV. Meetings and Conferences

Sandee attended the virtual SAWCA All Committee Conference on November 18-19, 2020.

Executive Director's Report Sandee C. Sprang, Interim Executive Director

December 14, 2020

COVID-19

For the period February 1 through November 30, 2020, there have been 1,904 COVID-related claims filed with the Commission. Sixty-six were filed during the month of November. Nineteen fatalities were reported. Of the cases that have been closed, \$158,000 was paid for medical care and \$625,000 was paid for non-medical care. The counties reporting the highest number of claims were Greenville, Charleston, and Richland. No claims were denied. Nurses have reported the highest number of cases.

Meetings/Activities

On November 6, 2020, the Interim Executive Director attended the IWA Conference and, on November 18-19, 2020, attended the SAWCA All Committee Conference, both of which were held virtually. She worked with the Ethics Commission and the Supreme Court to coordinate the Commission's required annual Ethics Workshop and obtain CLE credits with the enhanced requirements for virtual trainings; this workshop was held on November 9, 2020 and was attended by all Commissioners, their respective Administrative Assistant and the agency's department heads. Additionally, the Interim Director submitted the Phase II COVID expense reimbursement request to SC Cares for \$14,000 for the period from July 1, 2020 through December 31, 2020. Lastly, the continually changing landscape of the pandemic prompted the Director's office to coordinate the review and documentation of internal practices regarding COVID. As a result, the legal department and the HR department are building a COVID Incident Response and Playbook which is currently in draft format.

Constituent / Public Information Services

For the period November 1, 2020 to November 31, 2020, the Executive Director's Office and the General Counsel's office had 245 electronic and personal contacts with claimants or constituents, state agencies, federal agencies, attorneys, service providers, business partners, and letters with congressional offices. This number is slightly down from other months as Gary Cannon's contacts are not included.

Financial Transactions Activity

For the period November 1, 2020 to November 31, 2020, the Director's office processed and approved 6 travel expense reports, 104 invoices, and 44 deposits for DOA to process in the SCIES system.
