SUBJECT: Monthly Human Resources Report for November 2020 Business Meeting

This report summarizes the activities of Human Resources during the month of October 2020.

In October the Commission had 51 full time employees. We have 1 part-time employee. And, we have 1 summer legal interns.

• New Hires: One

Separations or Retirements: None

• **FMLA Leaves:** Two

In October, I continued to communicate insurance open enrollment and I made changes in PEBA for all the individuals who wanted changes. October 31, 2020 was the deadline.

We sent 13 "All Agency" emails during the month. In SCEIS, I had 7 SCEIS transactions. I responded to benefit questions and made changes. Payroll and time reports were run as scheduled. We processed only 3 travel reports in the month of October.

We had two employees go on FMLA and I prepared the paperwork for us to process in SCEIS.

We had 3 building issues and only 2 parking updates. We still have not received corrected parking invoices for the last several months. I requested them again on 2 occasions.

Since March 23rd, I have been reporting to the State HR department data regarding who was working onsite, telecommuting, and taking leave. This is done daily. For the month of October, we had an average of 16 employees working onsite, 33 employees working from home and average of 3 employees taking leave.

We continued to obtain and maintain the necessary PPE to safely work onsite. We provided information on what we have ordered since July 1, 2020 to management for statewide reimbursement.

I continued to track employees work activities from home. Once a week, I receive lists of the daily activities of those working from home. I take that data, summarize daily activities into a weekly summary by employee and add it to a spreadsheet for management's review.

I met with management several times on staffing issues. I posted the 2 program coordinator positions on NEOGov and the State Career Website. It ran until 5 p.m. October 1, 2020. We had 1106 hits and 80 to apply. From the 80 we selected 6 candidates to interview. We were pleased with the interviews and recommended 5 to speak with the Executive Director, Chairman, and IMS Director for a second interview. We hired 2 excellent candidates and 1 started in October and the other started on November 1, 2020.

I worked with Wayne Ducote on a proposal to fill the Program Coordinator II in Coverage and Compliance area of IMS. We met with Chairman Beck and Interim Executive Director, Sandee Sprang and presented our proposal. It was accepted and the job has been posted.

I completed our second EEOC report and submitted for approval.

I worked on a formalized and well documented COVID-19 Guide on how to handle reports of exposure and/or active virus cases. I am continuing to create this document with the plan of releasing in early November. In October we had one employee to self-report that they had gotten the COVID-19 virus and would be in quarantine for at least 14 days. They can work from home. Early into November we were told by another employee that they may have been exposed to the virus. Luckily, neither of the individuals had been in the office during the window of concern, which is 48 hours. The employee who may have been exposed is not showing any symptoms and is able to work from home as well.

I will be out a month on FMLA for knee surgery starting November 18, 2020; however, I plan to be working from home within days after the surgery. I sent notifications to my work contacts, management, and Commissioners and included my cell phone if any HR or travel process needs my attention.
